

## FEATURES

|                   |  |
|-------------------|--|
| Intended Use:     | Interior   |
| Installation:     | Track Mounting   |
| Fixing:           | Electrical adapter for rail mounting   |
| Body/Structure:   | Die-cast aluminum body EN AB-47100   |
| Painting:         | Interior polyester powder coating  |
| Finish:           | White  |
| Reflector/Optics: | 99.8% pure aluminum reflector - Adjustable optics                                    |
| Glass/Screen:     | Clear tempered glass   |
| Driver:           | Driver built into the electrical adapter for track mounting, stabilized output 900mA |

## TECHNICAL DATA

|                        |                           |
|------------------------|---------------------------|
| Tension:               | 220-240V 50/60Hz          |
| Beam:                  | Symmetrical diffusing 40° |
| Current:               | 900mA                     |
| Insulation class:      | 2                         |
| Weight:                | 1.15 kg                   |
| IP grade:              | 20                        |
| Glow wire:             | 850 °C                    |
| Lamp included:         | Yes                       |
| LED type:              | COB LED                   |
| Overall power:         | 35 W                      |
| Appliance flow:        | 2974 lm                   |
| Nominal duration:      | 50.000 ore L900 B20       |
| Color temperature:     | 3000 K                    |
| Color rendering index: | > 90                      |
| Color consistency:     | 3 SDCM                    |

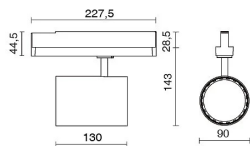

## NOTES

On request: Honeycomb grille code 3079 (not sold as an accessory, therefore separately), on request this grille will already be inserted inside the appliance.
