

## FEATURES

|                   |   |
|-------------------|---|
| Intended Use:     | Interior, SIDESIGN                                  |
| Installation:     | Wall, recessed version                              |
| Body/Structure:   | Zamak body and plate, galvanized steel counterplate |
| Painting:         | Galvanic treatment                                  |
| Finish:           | Chrome  |
| Reflector/Optics: | Methacrylate led lens                               |
| Driver:           | Including   |

## TECHNICAL DATA

|                        |                              |
|------------------------|------------------------------|
| Tension:               | 220/240v                     |
| Beam:                  | Bi-emission concentrator 15° |
| Current:               | 500mA                        |
| Weight:                | 2.20 kg                      |
| IP grade:              | IP20                         |
| Glow wire:             | 850° °C                      |
| Lamp included:         | Yes                          |
| LED type:              | Power LED                    |
| Overall power:         | 14.4 W                       |
| Appliance flow:        | 1280 lm                      |
| Nominal duration:      | 50.000 ore L80 B20           |
| Color temperature:     | 3000 K                       |
| Color rendering index: | >90                          |
| Color consistency:     | 3 SDCM                       |
