

## FEATURES

|                   |  |
|-------------------|--|
| Intended Use:     | Interior   |
| Installation:     | M-System rail mounting   |
| Fixing:           | M-System adapter for mounting in "M-System" track, operating at very low voltage                   |
| Body/Structure:   | Aluminum body  |
| Painting:         | Interior polyester powder coating  |
| Finish:           | Black  |
| Reflector/Optics: | Metalized polycarbonate mirror reflector   |
| Glass/Screen:     | Transparent polycarbonate  |
| Driver:           | Power supply integrated into the electrical adapter for track mounting, stabilized output 500mA dc |

## TECHNICAL DATA

|                        |                           |
|------------------------|---------------------------|
| Beam:                  | Symmetrical diffusing 56° |
| Insulation class:      | 3                         |
| Weight:                | 0.65 kg                   |
| Glow wire:             | 650 °C                    |
| Lamp included:         | Yes                       |
| LED type:              | COB LED                   |
| Overall power:         | 22,5 W                    |
| Appliance flow:        | 1527 lm                   |
| Nominal duration:      | 50000                     |
| Color temperature:     | 3000 K                    |
| Color rendering index: | > 90                      |
| Color consistency:     | 3 SDCM                    |

LIGHT SOURCE: 1 x LED 17.00W 1950lm
