

## FEATURES

|                   |  |
|-------------------|--|
| Intended Use:     | Indoor, HORTICULTURAL  |
| Installation:     | Track Mounting   |
| Fixing:           | Electrical adapter for rail mounting   |
| Body/Structure:   | Aluminum body  |
| Painting:         | Interior polyester powder coating  |
| Finish:           | White  |
| Reflector/Optics: | Metalized polycarbonate mirror reflector   |
| Glass/Screen:     | Transparent polycarbonate  |
| Driver:           | Power supply integrated into the electrical adapter for track mounting, stabilized output 500mA dc |

## TECHNICAL DATA

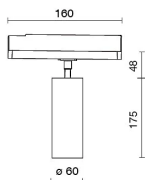

|                        |                            |
|------------------------|----------------------------|
| Tension:               | 220-240V 50/60Hz           |
| Beam:                  | Concentric symmetrical 56° |
| Current:               | 400mA                      |
| Insulation class:      | 2                          |
| Weight:                | 0.65 kg                    |
| IP grade:              | 20                         |
| Glow wire:             | 650 °C                     |
| Lamp included:         | Yes                        |
| LED type:              | COB LED                    |
| Overall power:         | 15 W                       |
| Appliance flow:        | 2014 lm                    |
| Nominal duration:      | 50.000 ore L80 B20         |
| Color temperature:     | 5700 K                     |
| Color rendering index: | > 80                       |
| Color consistency:     | 3 SDCM                     |

LIGHT SOURCE: 1 x 13W 2432.8lm

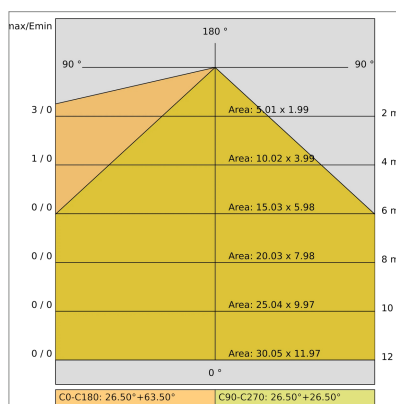

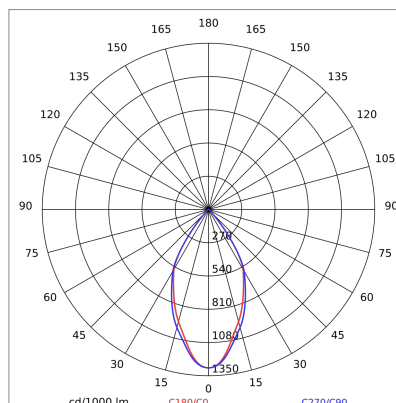

## NOTES

COMPANY

Side Spa has always been a benchmark in the manufacturing industry for its constant focus on product quality, assembly and sustainability of its items. The company is distinguished by its dedication to offering customers the highest quality products that meet needs and exceed expectations.

Side Spa pays the utmost attention to the quality of its products. Each stage of production undergoes rigorous quality control to ensure that only first-class items reach the market. By using high-quality materials and adopting state-of-the-art manufacturing processes, the company is able to offer products that stand the test of time and maintain their performance over the years. Quality is a top priority for Side Spa, which strives to meet the highest standards of excellence.
