

EXTERIOR > RESIDENTIAL WALL-LIGHTS > QUARTO DI SFERA

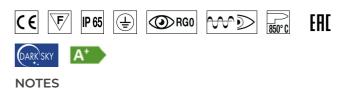

FEATURES

Intended Use:	Exteriors
Installation:	Wall Mounting
Body/Structure:	Die-cast aluminum body EN AB-47100
Painting:	Polyester powder coating with special outdoor treatment (sandblasting, pickling, No. 3 washing, fluorzirconing, epoxy powder primer and polyester powder surface finish).
Finish:	White
Reflector/Optics:	99.8% pure aluminum reflector
Glass/Screen:	Tempered frosted glass
Driver:	Integrated electronic driver, inverter and battery

COMPANY

Side Spa has always been a benchmark in the manufacturing industry for its constant focus on product quality, assembly and sustainability of its items. The company is distinguished by its dedication to offering customers the highest quality products that meet needs and exceed expectations.

Side Spa pays the utmost attention to the quality of its products. Each stage of production undergoes rigorous quality control to ensure that only first-class items reach the market. By using highquality materials and adopting state-of-the-art manufacturing processes, the company is able to offer products that stand the test of time and maintain their performance over the years. Quality is a top priority for Side Spa, which strives to meet the highest standards of excellence.
