

## FEATURES

|                   |   |
|-------------------|---|
| Intended Use:     | Foodlighting,Interior   |
| Installation:     | Recessed Ceiling  |
| Recessed hole:    | ø 156 mm  |
| Fixing:           | Steel wire springs  |
| Body/Structure:   | Die-cast aluminum body EN AB-47100                              |
| Painting:         | Interior polyester powder coating                               |
| Finish:           | White   |
| Reflector/Optics: | 99.8% pure aluminum reflector - Removable and adjustable optics |
| Glass/Screen:     | Clear tempered glass  |
| Driver:           | Remote power supply for LED, stabilized output 700mA dc         |

## TECHNICAL DATA

|                        |                               |
|------------------------|-------------------------------|
| Tension:               | 220-240V 50/60Hz              |
| Beam:                  | Symmetric diffusive flood 30° |
| Current:               | 700mA                         |
| Insulation class:      | 2                             |
| Weight:                | 1.45 kg                       |
| IP grade:              | 20/44                         |
| Glow wire:             | 850 °C                        |
| Lamp included:         | Yes                           |
| LED type:              | COB LED                       |
| Overall power:         | 27 W                          |
| Appliance flow:        | 1750 lm                       |
| Nominal duration:      | 50.000 L80 B20                |
| Color temperature:     | 2400 K                        |
| Color rendering index: | >90                           |
| Color consistency:     | 3 SDCM                        |

LIGHT SOURCE: 1 x LED 24.00W 2075lm
